

Discussion Starters

[These helpful discussion starters are intended to help you discuss things that will spur each other on as you seek to follow Jesus. You don't need to do them every time you meet & you don't need to do them all - they are simply a resource.]

Lean on Jesus

How would you describe your current sense of faith & trust in God - explain your answer. How do you feel your life rhythms or helping or hindering you from leaning wholly on Jesus? What would you like to keep doing or change?

Listen to Jesus

What's God been saying to you lately?
How do you feel you are responding to what God said?

Live like Jesus

Are your life, lifestyle & relationships aligned with Jesus' way for such things - explain your answer. Jesus lived to fulfil the will of the Father; in what ways are being faithful/unfaithful in serving God's purposes with your life - explain your answer?

Lead others to Jesus

In what ways are you currently building relationships with, reaching out to, praying for and or pointing people to faith in God? Who are these people so we can pray together with you for them?

Is there anything you need to talk to us about but don't want to?

How can we pray with you, encourage, support you, or help to hold you accountable?
